

INSULA PRIMALIS

TILE #8

THE VOLCANO

ONCE YOU'VE GOT THE LAVA ATTACHED TO THE PEDESTAL, YOU'LL BE ABLE TO GLUE THE LAVA'S FLAPS TO THE GLOWING, INNER CLIFF WALLS OF THE VOLCANO. BY PLACING THE LAVA + PEDESTAL ON THE TABLETOP AND THEN PUTTING THE REST OF THE VOLCANO ON TOP OF IT, YOU'LL BE ABLE TO SEE HOW HIGH UP THE INNER CLIFF WALLS THE FLAPS NEED TO BE GLUED.

LAVA

THIS SECTION FORMS A PEDESTAL FOR THE LAVA BED TO SIT ON. GLUE THE TOP FLAPS TO THE UNDERSIDE OF THE LAVA.
